MARSHALL FIELD'S TAXES.

Chicago Merchant Prince Pays More Money Than Any Person in U. S.

CHICAGO, Aug. 29.—Marshall Field, the merchant prince, pays more money in taxes than any other person in the United States. Every year he contributes nearly one-half a million dollars in cash to the various tax funds in the county and city.

The amount he will pay this year is \$468,210. The Board of Review has fixed the value of his Chicago holdings at \$40,000,000. Of this enormous sum \$20,000,000 represents real estate and the remainder is the value that has been placed on his personal property. No mention of his holdings that are not taxable is made.

These interesting facts were made public when James Simpson, tax agent for the prominent merchant, appeared before the reviewing body and requested it to reduce the assessment of \$2,500,000 placed on Mr. Field's personal property to an even \$2,000,000. The reduction was ordered. The other \$3,000,000 worth of personal property belongs to the firm of Marshall Field & Co.

Next year, it is said, he will pay taxes on another million dollars' worth of real estate. By that time he will have invested that sum in more city property.

All but \$1,000,000 worth of his real estate holdings in Chicago lies in the downtown district bounded by Wabash and Fifth avenues and Lake and Van Buren streets.

"Although Mr. Field pays the heaviest taxes he makes the least complaints," said one of the reviewers. "His representatives never find any fault with the assessments unless they have good grounds for doing so."

Every cent of the fortune he will turn over in taxes will be used to support the city, county and State.

Constipation. Its Cause and Cure.
A person in order to be healthy must get rid of the waste products (or poisons) of the body. Nature has provided four ways to get rid of them: The Bowels, the Kidneys, the Bladder and the Skin.

If the bowels become inactive, that portion of the food which should be thrown off lies in the intestines and decomposes, causing blood, nerve, liver and kidney trouble, and cures the pores of the skin, thus creating disease in the entire system.

You can immediately relieve and permanently cure yourself of stubborn constipation or distressing stomach trouble and perfectly regulate your bowels and liver by taking one dose a day of DRAKE'S PALMETTO WINE. Any reader of this paper can secure absolutely free a bottle by writing to Drake Formula Co., Drake Building, Chicago.

A FREE trial bottle alone has brought health and vigor to many so you owe it to yourself to prove what it will do in your case. Write the company this very day.

Properly aged and pasteurized. Made of the purest ingredients. In every respect the equal of any beer brewed. Order a trial case—quarts or pints.
